# "ALL I NEED" - THE TEMPTATIONS lyrics (Miguel Herrera)

## VERSE 1

Oh, this heart of mine (ooh who) carries a heavy load (ooh who)  
When I think about (ooh who) how I've hurt you so  
After you been, (ooh who) been so good to me (ooh who)  
I've been unfaithful, darling (ooh who)  
I've caused you misery  
A feeling of guilt, (ooh who) oh it tortures me (ooh who)  
And only you my darling, (ooh who) oh can set me free

## CHORUS

And darling ALL, ALL I NEED IS JUST TO HEAR YOU SAY  
YOU FORGIVE ME  
Forgive me baby  
ALL, ALL I NEED IS TO HAVE YOU TOUCH MY HAND  
SAY YOU UNDERSTAND, baby

## VERSE 2

A moment of weakness darling, caused me to stray  
Your trust in me, dear I threw away

When I look, (ooh who) look into your eyes (ooh who)  
I can see the hurt (ooh who) baby that you feel inside  
Although I've hurt you, (ooh who) baby you never once complain  
It makes me feel (ooh who) sweet darling, that much more ashamed

Tears of guilt, (ooh who) tears of guilt running down my face  
Tears that only you, (ooh who) baby, only you can erase

## CHORUS

And darling, ALL, ALL I NEED IS JUST TO HEAR YOU SAY  
YOU FORGIVE ME  
Forgive me baby  
ALL, ALL I NEED IS TO HAVE YOU TOUCH MY HAND  
SAY YOU UNDERSTAND, ooh

## VERSE 3

I know (ooh who) I made a big mistake (ooh who)  
When all your love darling, (ooh who) yes, I did forsake  
It's on my mind, (ooh who) it's in my heart (ooh who)  
This guilty feeling (ooh who) tearing me apart  
With ev'ry step I make, (ooh who) with ev'ry breath I take (ooh who)  
I'll make it up to you, (ooh who) I'll make it up to you  
Undo the wrong I've done, (ooh who) undo the wrong I've done (ooh who)  
I've been unfaithful I know it's true, (ooh who) but I'll make it up to you baby

CHORUS

**ALL, ALL I NEED IS JUST TO HEAR YOU SAY**

**YOU FORGIVE ME**

Forgive me baby

**ALL, ALL I NEED IS TO HAVE YOU TOUCH MY HAND**

**SAY YOU UNDERSTAND**, baby

**ALL, ALL I NEED IS JUST TO HEAR YOU SAY**

**YOU FORGIVE ME**

Forgive me baby

# I Still Choose You - Anita Kusmulyana feat. Priscilla Tiu

## Verse 1: Fmaj7 Dm Eb Bbmaj7

I wonder how we both got here  
How the chasm grew so wide  
We're strangers  
That we both don't recognize

How do our fragile hearts recover (Ooh)  
When we cut down each other  
didn't handle with care (Ooh)  
Can we get up and build again (Ooh)

## Pre-chorus: Gm Bb F, Gm Bb C

Cuz even though we're not perfect,  
I know it's true  
We're building back from the pieces, of all  
we've been through

## Chorus: Fmaj7 Dm Bb C

I still choose **you**  
Over and over again  
Though we're hurting, broken and bruised  
somehow we'll make it through

I still choose **you**  
For better or worse, 'til the end  
I'll trust that the power of love is enough  
No, I won't give up (No, I won't give up)  
I still choose us

## Verse 2:

I swear I'll wake up every morning (Ooh)  
Make my life about one thing  
I'll be faithful and true (Ooh)  
I will stand by you (stand by you)

Side by side before the fire (Ooh)  
To forge a love that's stronger  
And pure like gold (Ooh)

To have and to hold oh oh oh old (hold oh old)

**2nd Chorus: Fmaj7 Dm Bb C**

I still choose **you**

Over and over again

Though we're hurting, broken and bruised  
somehow we'll make it through ooh ooh

I still choose **you**

For better or worse, 'til the end

I'll trust that the power of love is enough

No, I won't give up (No, I won't give up)

I still choose us

**Breakdown** (*Repeat 3x*)

You ooh ooh ooh

You ooh ooh

You ooh ooh

Oooh

I still choose you...

# Hold On by Teyana Taylor Lyrics (Claudia Gainer)

## INTRO

I do love you but it's-

I do love you but it's-

**Alright..., Alright**

(Ooh ooh)

**I do love you**

**Who Who, ooh, ooh, ooh**

## VERSE 1

Fighting to keep us together, (**I do love you Who Who, ooh, ooh, ooh**) hope it's worth a try

You ain't always been an angel but heaven's on our side

I got my demons too, I know just how you feel

You can be real with me, that's why you're still with me

Can't hide behind the carats (**I do love you Who Who, ooh, ooh, ooh**) on a diamond ring

I don't even care if you lie to me

'Cause there ain't much to kiss but me these days

I say I do just to say I don't

Don't give me no reason (**I do love you Who Who, ooh, ooh, ooh**) to go through your phone

This is deeper than you and other women

This is daddy issues

This is years putting up with the real time ...

## CHORUS

So (**I do love you Who Who, ooh, ooh, ooh**) hold on, hold on, don't let me go

Hold on, hold on (hey)

So hold on, hold on, don't let me go

Hold on, hold on

## VERSE 2

You tell me you love me (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

But tell me again, yeah

I need the reassurance every now and then

Love ain't a game full of X's and O's

But I done been played before (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

I played it safe before

Gave it up to somebody

Who didn't deserve my body

You gon' have to lend a shoulder (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

Help me kill this hangover

I believe you love me

Like C's and D's

And you gon' take responsibilities (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

On my healing, I'm feeling

Don't go trading years that we put in

## CHORUS

So (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**) hold on, hold on, don't let me go

Hold on, hold on (hey)

So hold on, hold on, don't let me go

Hold on, hold on

## A CAPELLA CHORUS

**I do love you, I love you I love you**

**Who Who, ooh, ooh, ooh**

## **HOLD MY HAND** by Lady GAGA Lyrics (Coreena Boothroyd)

Hold my hand, everything will be okay  
I heard from the heavens that clouds have been grey  
Pull me close, wrap me in your aching arms  
I see that you're hurtin', why'd you take so long  
To tell me you need me? I see that you're bleeding  
You don't need to show me again  
But if you decide to, I'll ride in this life with you  
I won't let go 'til the end

So cry tonight  
But don't you let go of my hand  
You can cry every last tear  
I won't leave 'til I understand  
Promise me, just hold my hand

Raise your head, look into my wishful eyes  
That fear that's inside you will lift, give it time  
I can see everything you're blind to now  
Your prayers will be answered, let God whisper how  
To tell me you need me, I see that you're bleeding  
You don't need to show me again  
But if you decide to, I'll ride in this life with you  
I won't let go 'til the end

So cry tonight  
But don't you let go of my hand  
You can cry every last tear  
I won't leave 'til I understand  
Promise you'll just hold my hand

Hold my hand, hold my  
Hold my hand, my hand  
I'll be right here, hold my hand  
Hold my hand, hold my  
Hold my hand, my hand  
I'll be right here, hold my hand

I know you're scared and your pain is imperfect  
But don't you give up on yourself  
I've heard a story, a girl, she once told me  
That I would be happy again

Hold my hand, Hold my hand, Hold my hand, hold my hand  
Hold my hand, hold my hand, Hold my hand  
I heard from the heavens

## **Fly Me To The Moon - Frank Sinatra** Lyrics (Catherine He)

Fly me to the moon  
Let me play among the stars  
Let me see what spring is like  
On a-Jupiter and Mars  
In other words, hold my hand  
In other words, baby, kiss me

Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, I love you

Fill my heart with song  
Let me sing for ever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, in other words  
I love... you

## Keep Moving On - Andrea "STAR" McCoy (Original)

Chorus-

Sometimes the days are hard  
but you'll be alright just keep moving on just keep moving on  
sometime you might lose a fight  
but you'll be alright just keep moving on,  
Keep your head up don't look down or you might hit the ground  
just keep moving on just keep moving  
Sometimes you might feel down just fix your crown  
And keep moving on just keep moving on

Verse-

You can't catch a break  
And you keep making mistakes  
Your world begins to quake  
But you don't lose your faith  
You've got to find the strength  
to face all the pain  
No matter what they say  
you can always find a way

Chorus-

Sometimes the day are hard but  
you'll be alright just keep moving on  
just keep moving on just keep moving on  
sometimes you might lose a fight  
but you'll be alright just keep moving on  
just keep moving  
keep your head up don't look down  
or you might hit the ground just keep moving  
sometimes you might feel down just fix your crown  
and keep moving on just keep moving on

verse-

So get up get up and touch the clouds  
maybe there's something to be found  
get up get up and stand proud  
things can always turn around

Sometimes the days are hard but  
you'll be alright just keep moving just keep moving on.

## Maybe from "Annie The Musical" lyrics (Naomi Wang)

Maybe far away  
Or maybe real nearby  
He may be pouring her coffee  
She may be straightening his tie

Maybe in a house  
All hidden by a hill  
She's sitting playing piano  
He's sitting paying a bill

Betcha they're young  
Betcha they're smart  
Bet they collect things  
Like ashtrays and art

Betcha they're good  
Why shouldn't they be?  
Their one mistake  
Was giving up me

So maybe now it's time  
And maybe when I wake  
They'll be there calling me "baby"  
Maybe

Betcha he reads (Betcha he reads)  
Betcha she sews (Betcha she sews)  
Maybe she's made me a closet of clothes (Closet of clothes)  
Maybe they're strict  
As straight as a line  
Don't really care  
As long as they're mine

So maybe now this prayer's (Maybe now this prayer's)  
The last one of it's kind  
Won't you please come get your "baby"  
Won't you please come get your "baby"  
Maybe

**Dark Night of the Soul - Savannah Hammond (Original)**

**Lush Life** by Billy Strayhorn Lyrics (Natalie Johnson)

I used to visit all the very gay places  
Come-what-may places  
Where one relaxes on the axis of the wheel of life  
To get the feel of life from jazz and cocktails  
The girls I knew had sad and sullen gray faces  
With distingué traces that used to be there  
You could see where they'd been washed away  
By too many through the day  
Twelve o'clock tales  
Then you came along with your siren song  
To tempt me to madness  
I thought for a while that your poignant smile  
Was tinged with the sadness of a great love for me  
Ah, yes, I was wrong again  
Again, I was wrong

Life is lonely again  
And only last year, everything seemed so sure  
Now life is awful again  
A trough full of hearts could only be a bore  
A week in Paris will ease the bite of it  
All I care is to smile in spite of it  
I'll forget you, I will, while yet you are still  
Burning inside my brain, romance is mush  
Stifling those who strive, I'll live a lush life  
In some small dive and there I'll be while I rot  
With the rest of those whose lives are lonely too

**Into the Woods - Last Midnight** Lyrics (Caroline Patz)

Shhhhhhhhhhhhh!

It's the last midnight.  
It's the last wish.  
It's the last midnight,  
Soon it will be boom-  
Squish!  
Told a little lie,  
Stole a little golde,  
Broke a little vow,  
Did you?

Had to get your Prince,  
Has to get your cow,  
Have to get your wish,  
Doesn't matter how-  
Anyway, it doesn't matter now.

It's the last midnight,  
It's the boom-  
Splat!  
Nothing but a vast midnight.  
Everybody smashed flat!

Nothing we can do.  
Not exactly true:  
We can always give her the boy...

No?  
No, of course what really matters  
Is the blame,  
Somebody to blame.  
Fine, if that's the thing you enjoy,  
Placing the blame,  
If that's the aim,  
Give me the blame-  
Just give me the boy.

THE OTHERS  
No!

WITCH  
No?

You're so nice.  
You're not good,  
You're not bad,  
You're just nice.  
I'm not good,  
I'm not nice,  
I'm just right.  
I'm the Witch.  
You're the world.

I'm the hitch.  
I'm what no one believes,  
I'm the Witch.  
You're all liars and thieves,  
Like his father,  
Like his son will be, too-  
Oh, why bother?  
You'll just do what you do.

It's the last midnight,  
So, goodbye all.  
Coming at you fast, midnight-  
Soon you'll see the sky fall.

Here, you want a bean?  
Have another bean.  
Beans were made for making you rich!  
Plant them and they soar-  
Here, you want some more?  
Listen to the roar...  
Giants by the score-!  
Oh well, you can blame another witch.

It's the last midnight.  
It's the last verse.  
Now, before it's past midnight,  
I'm leaving you my last curse:

I'm leaving yo alone.  
You can tend the garden, it's yours.  
Separate and alone,  
Everybody down on all fours.

All right, mother, when?  
Lost the beans again!  
Punish me the way you did then!  
Give me claws and a hunch,  
Just away from this bunch  
And the gloom  
And the doom  
And the boom  
Cruuunch!

## What The World Needs Now Is Love Lyrics - Jackie DeShannon (Annie Hixon)

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No not just for some, but for everyone

Lord, we don't need another mountain  
There are mountains and hillsides enough to climb  
There are oceans and rivers enough to cross  
Enough to last 'til the end of time

What the **world needs now** is **love, sweet love**  
It's the only thing that there's **just too little of**  
What the **world needs now** is **love, sweet love**  
No, not just for some, but for everyone

Lord, we don't need another meadow  
There are cornfields and wheatfields enough to grow  
There are sunbeams and moonbeams enough to shine  
Oh listen, Lord, if you want to know

What the **world needs now** is **love, sweet love**  
It's the only thing that there's **just too little of**  
What the **world needs now** is **love, sweet love**  
No, not just for some, oh, but just for every, every, everyone

**What the world needs now is love sweet love**  
**What the world needs now is love sweet love**  
**What the world needs now is love sweet love**

**What the world needs now is love sweet love**  
**What the world needs now is love sweet love**

## "A Sunday Kind Of Love" lyrics - Etta James (Aliah Woodson)

I want a Sunday kind of love  
A love to last past Saturday night  
And I'd like to know  
It's more than love at first sight  
And I want a Sunday kind of love  
Oh yeah, yeah

I want a, a love that's on the square  
Can't seem to find somebody  
Someone to care  
And I'm on a lonely road  
That leads to nowhere  
I need a Sunday kind of love

I do my Sunday dreaming, oh yeah  
And all my Sunday scheming  
Every minute, every hour, every day  
Oh, I'm hoping to discover  
A certain kind of lover  
Who will show me the way

And my arms need someone  
Someone to enfold  
To keep me warm when Mondays and Tuesdays grow cold  
Love for all my life to have and to hold  
Oh and I want a Sunday kind of love  
Oh yeah, yeah, yeah

I don't want a Monday, Tuesday, or Wednesday  
Or Thursday, Friday or Saturday  
Oh nothing but Sunday, oh yeah  
I want a Sunday Sunday  
I want a Sunday kind of love, oh yeah  
Sunday, Sunday, Sunday kind of love

## **"Golden Hour" lyrics - JVKE (RYAN CONNELL feat. Telon on violin)**

### VERSE 1

It was just two lovers  
Sittin' in the car, listening to Blonde, fallin' for each other  
Pink and orange skies, feelin' super childish, no Donald Glover  
Missed call from my mother  
Like, "Where you at tonight?"  
Got no alibi, I was all alone

### PRE-CHORUS

With the love of my life  
She's got glitter for skin  
My radiant beam in the night  
I don't need no light to see you

### CHORUS

Shine  
It's your golden hour  
You slow down time  
In your golden hour

### VERSE 2

We were just two lovers  
Feet up on the dash, drivin' nowhere fast, burnin' through the summer  
Radio on blast, make the moment last, she got solar power  
Minutes feel like hours  
She knew she was the baddest  
Can you even imagine fallin' like I did?

### PRE-CHORUS

For the love of my life  
She's got glow on her face  
A glorious look in her eyes  
My angel of light

I was all alone with the love of my life  
She's got glitter for skin  
My radiant beam in the night  
I don't need no light to see you

### CHORUS

Shine  
It's your golden hour  
You slow down time  
In your golden hour

LOVE CHILD - The Supremes *lyrics with background* tribute song

[Intro]

**(Tenement slum**

**Ooh-ooh-ooh-ooh-ooh-ooh, ah)**

VERSE 1

You think that I don't feel love  
But what I feel for you is real love  
In those eyes, I see reflected  
A hurt, scorned, rejected

[CHORUS]

**Love child**, never meant to be  
**Love child**, born in poverty  
**Love child**, never meant to be  
**Love child**, take a look at me

VERSE 2

Started my life in an old, cold, rundown  
Tenement slum **(Tenement slum)**  
My father left, he never even married Mom **(Ooo, ooh, ooo, ooo, ooo, ooo, ooo)**  
I shared the guilt my mama knew  
So afraid that others knew I had no name **(AHH!)**

Ah, this love we're contemplating **(I'll always love you)**

Is worth the pain of waiting

We'll only end up hating **(I'll always love you)**

The child we may be creating **( love you!)**

[CHORUS]

**Love child**, never meant to be **(Wait, wait, won't you wait now, hold on)**

**Love child (Scorned by)** society

**Love child**, always second best **(Wait, wait, won't you wait now, hold on)**

**Love child**, different from the rest

**(Hold on, hold on, just a little bit longer)** Mmm, baby

**(Hold on, hold on, just a little bit longer)** Mmm, baby

VERSE 3

I started school in a worn, torn dress that somebody threw out **(Somebody threw out)**

I knew the way it felt to always live in doubt **(Ooo, ooh, ooo, ooo, ooo, ooo, ooo)**

To be without the simple things

So afraid my friends would see the guilt in me **(AHH!)**

Ah, don't think that I don't need you **(I'll always love you)**

Don't think I don't wanna please you

But no child of mine will be bearing **(I'll always love you)**

The name of shame I've been wearing **(love you!)**

[CHORUS]

**Love child**, love child, never quite as good **(Wait, wait, won't you wait now, hold on)**

Afraid, ashamed, misunderstood **(Just a little bit longer, love child)**

But I'll always love you **(Wait, wait, won't you wait now, hold on)**

I'll always love you **(Just a little bit longer, love child)**

[OUTRO CHORUS]

I'll always love you **(Wait, wait, won't you wait now, hold on)**

Always love you **(Just a little bit longer, love child)**

I'll always love you **(Wait, wait, won't you wait now, hold on)**

Always love you **(Just a little bit longer, love child)**

You, you, you **(Wait, wait, won't you wait now, hold on)**

I'll always love you **(Just a little bit longer, love child)**

Always love you **(Wait, wait, won't you wait now, hold on)**

You **(Just a little bit longer, love child)**

You **(Wait, wait, won't you wait now, hold on)**

I'll always love you **(Just a little bit longer, love child)**

Take a look, take a look at me **(Wait, wait, won't you wait now, hold on)**

Love child, love child **(Just a little bit longer, love child)**

I'll always love you **(Wait, wait, won't you wait now, hold on)**

You came into my heart

**(Babe, Babe Where did Our love go, Babe Babe, Babe Babe, ooh Babe Babe)**

## UP THE LADDER TO THE ROOF - THE SUPREMES (Lyrics)

### VERSE 1

And illuminate the night  
Oh, oh, oh, I will try and guide you  
To better times and brighter days  
Don't be afraid

### CHORUS

Where we can see heaven much better  
Go up the ladder to the roof  
Where we can be (where we can be, where we can be)  
Closer to heaven (to heaven, stay)

### VERSE 2

Stay with me  
And we shall let expressions sing  
(Please bring our virtues with us)  
Can't you hear 'em ringing? (Ringing)  
Oh-oh-oh  
Memories of yesterdays  
Yesterday's broken dreams  
Don't you know they'll all fade away  
If you'll come

Where we can see heaven much better  
Come up the ladder to the roof  
Where we can be (where we can be)  
Oh, closer to heaven

We'll laugh and I'll tell you the story of love  
How it is, and the happiness in it baby  
We'll combine our thoughts  
And together we'll travel the roads  
To the fountain of loveliness  
I will never, ever, ever leave you  
Leave you alone to wonder  
As we go on our love, it will grow (it will grow)  
Much stronger stronger  
Don't you wanna go

## **AIN'T NO MOUNTAIN HIGH ENOUGH - Tribute (FREDA PAYNE & LOUIS PRICE)**

[Verse]

Listen, baby  
Ain't no mountain high  
Ain't no valley low  
Ain't no river wide enough, baby  
If you need me, call me  
No matter where you are  
No matter how far  
Just call my name  
I'll be there in a hurry  
You don't have to worry  
'Cause baby

[Chorus]

There ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you

[Verse]

Remember the day  
I set you free  
I told you you could always count on me  
From that day on I made a vow  
I'll be there when you want me  
Some way, somehow  
'Cause baby,

[Chorus]

There ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you

[Bridge]

No wind, no rain  
Or winter's cold can stop me baby  
'Cause you are my goal  
If you're ever in trouble  
I'll be there on the double  
Just send for me oh baby

[Verse]

My love is alive

Way down in my heart

Although we are miles apart

If you ever need a helping hand

I'll be there on the double

As fast as I can

Don't you know that

[Chorus]

There ain't no mountain high enough

Ain't no valley low enough

Ain't no river wide enough

To keep me from getting to you babe

Don't you know that

There ain't no mountain high enough

Ain't no valley low enough

Ain't no river wide enough

There ain't no mountain high enough

Ain't no valley low enough

## Love Is Like an Itching in My Heart - The Supremes lyrics

The love bug done bit me  
Didn't mean for him to get me  
Woo, get up in the morning  
And I'm filled with desire  
No, no, I can't stop the fire  
Love is a real life wire  
Ooh, it's a burning sensation  
Far behind imagination

Love is like an itching in my heart  
Tearing it all apart  
Just an itching in my heart  
And baby, I can't scratch it  
**Keeps me sighing, ooh**  
**Keeps me yearning**

No, mama can't help me  
No, daddy can't help me  
I've been bitten by the love bug  
And I need some information  
To help me out this situation

Now, when you're ill  
You take a pill  
When your thirsty  
Drink your fill  
What you gonna do  
When love gets a hold  
A hold on you  
Love is like an itching in my heart  
And baby, I can't scratch it

Love is a nagging irritation  
Causing my heart complication  
Love is a growing infection  
And I don't know the correction  
Got me rockin' and areelin'  
And I can't shake the feelin'

Love is like an itching in my heart  
Tearing it all apart  
Just an itching in my heart  
And baby, I can't scratch it  
**Keeps me sighing, ooh**

**Keeps me yearning**

**Keeps me burning**

**Keeps me tossing**

**Keeps me turning**

**Keeps me yearning**

I've been bitten by the love bug  
And I need some information  
To help me out this situation  
Love is a nagging irritation  
Causing my heart complication

I've been bitten by the love bug...

## "You Keep Me Hangin' On" - The Supremes (Tribute Lyrics)

*(In the Track, it is a 20 bar or 35 sec intro then Horn cues to start)*

### **CHORUS**

Set me free, why don't you, baby?  
Get out my life, why don't you, baby?  
'Cause you don't really love me  
You just keep me hangin' on  
You don't really need me  
But you keep me hangin' on

### **VERSE 1**

Why do you keep a-coming around  
Playing with my heart?  
Why don't you get out of my life  
And let me make a new start?  
Let me get over you  
The way you've gotten over me, hey

### **CHORUS**

Set me free, why don't you, baby?  
Let me be, why don't you, baby? (Ooh-ooh-ooh)  
'Cause you don't really love me  
You just keep me hangin' on (Ooh-ooh-ooh)  
Now you don't really want me  
You just keep me hangin' on

### **VERSE 2**

You say although we broke up  
You still wanna be just friends  
But how can we still be friends

When seeing you only breaks my heart again?  
And there ain't nothing I can do about it  
Whoa-whoa-whoa

### **CHORUS**

Set me free, why don't you, baby?  
Whoa-whoa-whoa  
Get out my life, why don't you, baby? (Ooh-ooh-ooh)  
Set me free, why don't you, baby?  
Get out my life, why don't you, baby?

### **VERSE 3**

You claim you still care for me  
But your heart and soul needs to be free  
Now that you've got your freedom  
You wanna still hold on to me  
You don't want me for yourself  
So let me find somebody else, hey

### **VERSE 4**

Why don't you be a man about it  
And set me free? (Ooh-ooh-ooh)  
Cause, you don't care a thing about me  
You're just using me (Ooh-ooh-ooh)  
Go on, get out, get out of my life  
And let me sleep at night (Ooh-ooh-ooh)  
'Cause you don't really love me  
You just keep me hangin' on

You gotta trust, give it time  
No matter how long it takes
