

*La Voix Studio's  
10th Annual Gala  
Music Concert Event*

Student Informative Sheet

Here is important information, dates and reminders regarding the Annual Winter Gala Concert deadlines, Music to submit, Program and ShowTickets. Please review this Informative Sheet.

**Purpose:**

The reasons why we take the time, resources, our contacts and energy to plan and execute performances throughout the year, are to give our students the experience, ability to work on their craft, and an opportunity to perform in a professional setting. For this event, we invite very special guests in the industry to this particular Studio event which leads to great exposure for students.

**Event/ Show Ticket:**

All students must buy a Ticket for the event. Students are able to invite their family and friends to see their performance at the Concert.

Please remember, if we don't have an audience, we don't have a show. Therefore, all students must buy a Ticket for themselves for all shows. The ticket sales contribute to the cost of the venue, the venue crew, sound, lights, event staff, catering, DJ, band/musicians, rehearsal space, etc... Ticket sales often do not cover the overall expenses. So to help alleviate costs, we ask that all students sell five tickets. If students sell more than five, their ticket is free.

**TICKET PRICES:**

**\$100.00 - \$250.00**

<b>VIP NOIR Package</b>	<b>\$250.00</b>
<b>Premier Gold Package</b>	<b>\$175.00</b>
<b>General Admission Ruby Package</b>	<b>\$100.00</b>

*Tickets on sale until Nov 29!!! then after, tickets will go up and will be "AT THE DOOR" prices only if available*

**VIP Seats are closer to the stage, VIP tickets on sale until April 18, NO VIP tickets will be sold at the door**

**\*\*\*All Tickets are all inclusive packages**

**Sponsorship Packages:**

We also have sponsorship packages that receive tax credits in order to raise funds for the school and to expand our studio scholarship tuition.

### **Sponsorship Connection:**

If you know an organization or have a connection with a business that would like to sponsor this event and you would like to connect them with the studio, please let us know and contact the office for a donation request letter to present from our non profit organization, Maison De Music Foundation. If they sponsor the event, you could receive a *free general ticket* for small donations and larger donations will be accessed for 3-4 *general tickets*.

### **Volunteer:**

There are also opportunities to help and assist with decor & design, set up, backstage, sound, ticket counter, wrist bands, taking temperatures, the after party, auction, wrapping raffle prizes, collecting supplies, red carpet, etc.... Most meetings will be virtual, closer to the show week, putting baskets together and decor will be at the studio. If you would like to sign up, click <https://www.lavoixstudio.com/events.html>

### **VENUE ADDRESS:**

Gindi Theatre at American Jewish University  
15600 Mulholland Drive, Bel Air, California 90077

### **Parking:**

*There is a Parking lot (PARKING is included in the VIP Tickets, see ticket package for specific details)*

### **Cancellation:**

Once the venue is confirmed and music is turned into the Sound crew Nov 7, canceling last minute will incur a fee. The Venue/ Sound Crew/ Band charges based on how many pieces they need to learn, the amount of rehearsal time and showtime. If we cancel, the venue and band are still obligated to get paid. Also if there are a lack of ticket sales and we don't have an audience, we don't have a show and in which case, we would have to cancel.

### **Event Theme:**

This event is "1920s Old Hollywood" Great Gatsby themed. There is no song theme so it gives students freedom to be able to sing any era or genre style of music including originals. There will be a gold, black and white ribbon, guys for their lapel and girls on their wrist or lapel.

### **Theme colors:**

Classic Black & White

Gold or Red accent colors

(By the way, dress up and wear a theme color and win an additional Raffle Ticket!!!)

### **Performance Dress:**

Upscale. Dress to impress. Plan your outfit you plan to wear on-stage for your performance so that you look like you are going on-stage to perform. You do not need to purchase anything new, just be aware of the genre, colors, theme so that it may influence and enhance your overall performance. By the way, all students should practice performing in your performance attire and shoes.

**Song Length:** 3 minutes or under is fine, absolutely 3.5 - 4 minutes max! No exceptions
