

Hold On by Teyana Taylor Lyrics

INTRO

I do love you but it's-

I do love you but it's-

Alright..., Alright

(Ooh ooh)

I do love you

Who Who, ooh, ooh, ooh

VERSE 1

Fighting to keep us together, (**I do love you Who Who, ooh, ooh, ooh**) hope it's worth a try

You ain't always been an angel but heaven's on our side

I got my demons too, I know just how you feel

You can be real with me, that's why you're still with me

Can't hide behind the carats (**I do love you Who Who, ooh, ooh, ooh**) on a diamond ring

I don't even care if you lie to me

'Cause there ain't much to kiss but me these days

I say I do just to say I don't

Don't give me no reason (**I do love you Who Who, ooh, ooh, ooh**) to go through your phone

This is deeper than you and other women

This is daddy issues

This is years putting up with the real time ...

CHORUS

So (**I do love you Who Who, ooh, ooh, ooh**) hold on, hold on, don't let me go

Hold on, hold on (hey)

So hold on, hold on, don't let me go

Hold on, hold on

VERSE 2

You tell me you love me (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

But tell me again, yeah

I need the reassurance every now and then

Love ain't a game full of X's and O's

But I done been played before (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

I played it safe before

Gave it up to somebody

Who didn't deserve my body

You gon' have to lend a shoulder (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

Help me kill this hangover

I believe you love me

Like C's and D's

And you gon' take responsibilities (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**)

On my healing, I'm feeling

Don't go trading years that we put in

CHORUS

So (**I do love you, I love you, I love you, Who Who, ooh, ooh, ooh**) hold on, hold on, don't let me go

Hold on, hold on (hey)

So hold on, hold on, don't let me go

Hold on, hold on

A CAPELLA CHORUS

I do love you, I love you I love you

Who Who, ooh, ooh, ooh
