

GREGORY

I gotta go pee-pee!!

JOSHUA

I wanna go home! Let's go back!

DILLON

How can we when we're lost?!

JOEY

Look at the sky! Somethin' bad's  
about to happen!

LISA

Yeah, I can feel it!

DILLON

It's like somebody's watching us.

MARK

Yeah! Somebody mean and evil!

KEVIN

HEY, YOU GUYS! LOOK!!

He points to a cluster of tall trees, a few yards away.

CLUSTER OF TREES

Mean Jean pops out...

THE CHILDREN

Terrified, immediately back away...

MEAN JEAN AND CHILDREN

Mean Jean moves toward them with a menacing grin plastered  
across her ugly face...

MEAN JEAN

So, you wanted to see Children's  
World, huh? Well, this is it, you  
little scum bums!

She throws her hands up in the air:

MEAN JEAN (CONT'D)

Isn't it just bee-yoo-tee-ful!  
(stepping closer)

I heard some of you road-running  
shrimps say you were hungry!

The children back up even more; eyes, transfixed on her.

She reaches down into her bag...

MEAN JEAN (CONT'D)

Well, how about a nice, big, fat --  
RAT to satisfy your appetite!!

She quickly pulls out a LARGE DEAD RAT by its tail.

The children, terrorized, SCREAM and RUN... Mean Jean gives chase, dangling the rat and heinously laughing.

ANGEL AND MEAN JEAN

ANGEL, a beautiful woman in a magnificent purple and gold gown, suddenly materializes and blocks Mean Jean's way.

ANGEL

Going somewhere, Mean Jean?

Jean defensively throws an arm up and shields her face.

MEAN JEAN

AAaagh! Where did you come from?!

ANGEL

Wherever it was, I got here just in time. Up to your old tricks again, I see.

MEAN JEAN

Yeah! And the next time we meet, I'll have some new ones for you, Miss Goody-two shoes! I see you finally got yourself a new dress! It's about time! What happened? God decided to give you a raise?

ANGEL

(smiling)  
Go to hell!

Jean walks away in a huff, red as a beet and boiling mad.

MEAN JEAN

And that's exactly where I'm going too! Just wait 'til Lucifer hears about this! You'll be sorry!

ANGEL

He's the one who's going to be sorry. It's already been promised.  
(sweetly waves goodbye)  
God be with you, Mean Jean!

MEAN JEAN

upset, angrily runs back to the cluster of trees, repeating:

MEAN JEAN  
 AAAagh! Don't say that! Don't say  
 those words to me!! AAAagh!!

Her voice trails as she disappears into the foliage.

ANGEL AND CHILDREN

She stands before them with a pleasant look of serenity.

CARRIE LEE  
 (voice trembling)  
 Who are you?

ANGEL  
 You can call me Angel.

KEVIN  
 Where did you come from?

ANGEL  
 I came from nowhere and everywhere.  
 But I've always been with you, and,  
 I'll always be with you even though  
 you won't be able to see me.

GREGORY  
 What happened to Children's World?  
 We can't find it.

LISA  
 Yes, Mrs. Angel. We're lost!

BRIDGET  
 It's too dark!

ANGEL  
 No problem.

STEVEN  
 A big storm is coming.

ANGEL  
 I can fix that too.

LUPE  
 We're hungry!

ANGEL  
 That's the easiest of all.
